## **More Than 100 Turn Out for Project Sticker Shock**

MOUNDSVILLE, WV – More than 100 Marshall County youth and adults participated in the Marshall County Anti-Drug Coalition’s Project Sticker Shock on Veterans Day.

Project Sticker Shock is an event designed to eliminate the sales of alcohol to adults who purchase alcohol for youth. Youth volunteers, with the help of their adult chaperones, place specially made stickers on alcoholic beverages to remind customers that it’s illegal to purchase or provide alcohol to minors.

The effort included youth from Bishop Donahue Catholic High School, Cameron High School, John Marshall High School and Sherrard Middle School. Among the youth groups involved were Cameron High School’s SADD chapter, the Young Panthers and the Marshall County 4-H Club.

The youth and adults visited retailers all over Marshall County, then attended a wrap-up “fiesta” at the Acapulco Restaurant in Moundsville.

The Marshall County Anti-Drug Coalition and the Marshall County FRN thank the Marshall County retailers who graciously allowed the youth and adults to place their stickers on the beer inventory. The retailers were Butch’s Corner in Sherrard; Dragon Mart in Cameron; Greg’s Markets in Moundsville and Cameron; Gumby’s in Moundsville and Glen Dale; Jerry’s Mini Mart in McMechen; Kroger in Moundsville and Benwood; Limestone General Store in Limestone; Rite Aid in Benwood; Smith Oil in Moundsville; Wal-Mart in Moundsville and Speedway in Glen Dale.

The Marshall County Anti-Drug Coalition and Project Sticker Shock are funded by a SPF SIG Prevention Implementation Grant from the WV Governor’s Office and the WV Partnership to Promote Community Well-Being. The grant is made possible by the State of West Virginia’s receipt of a federal Strategic Prevention Framework State Incentive Grant (SPF SIG) from the U.S. Center for Substance Abuse Prevention.
